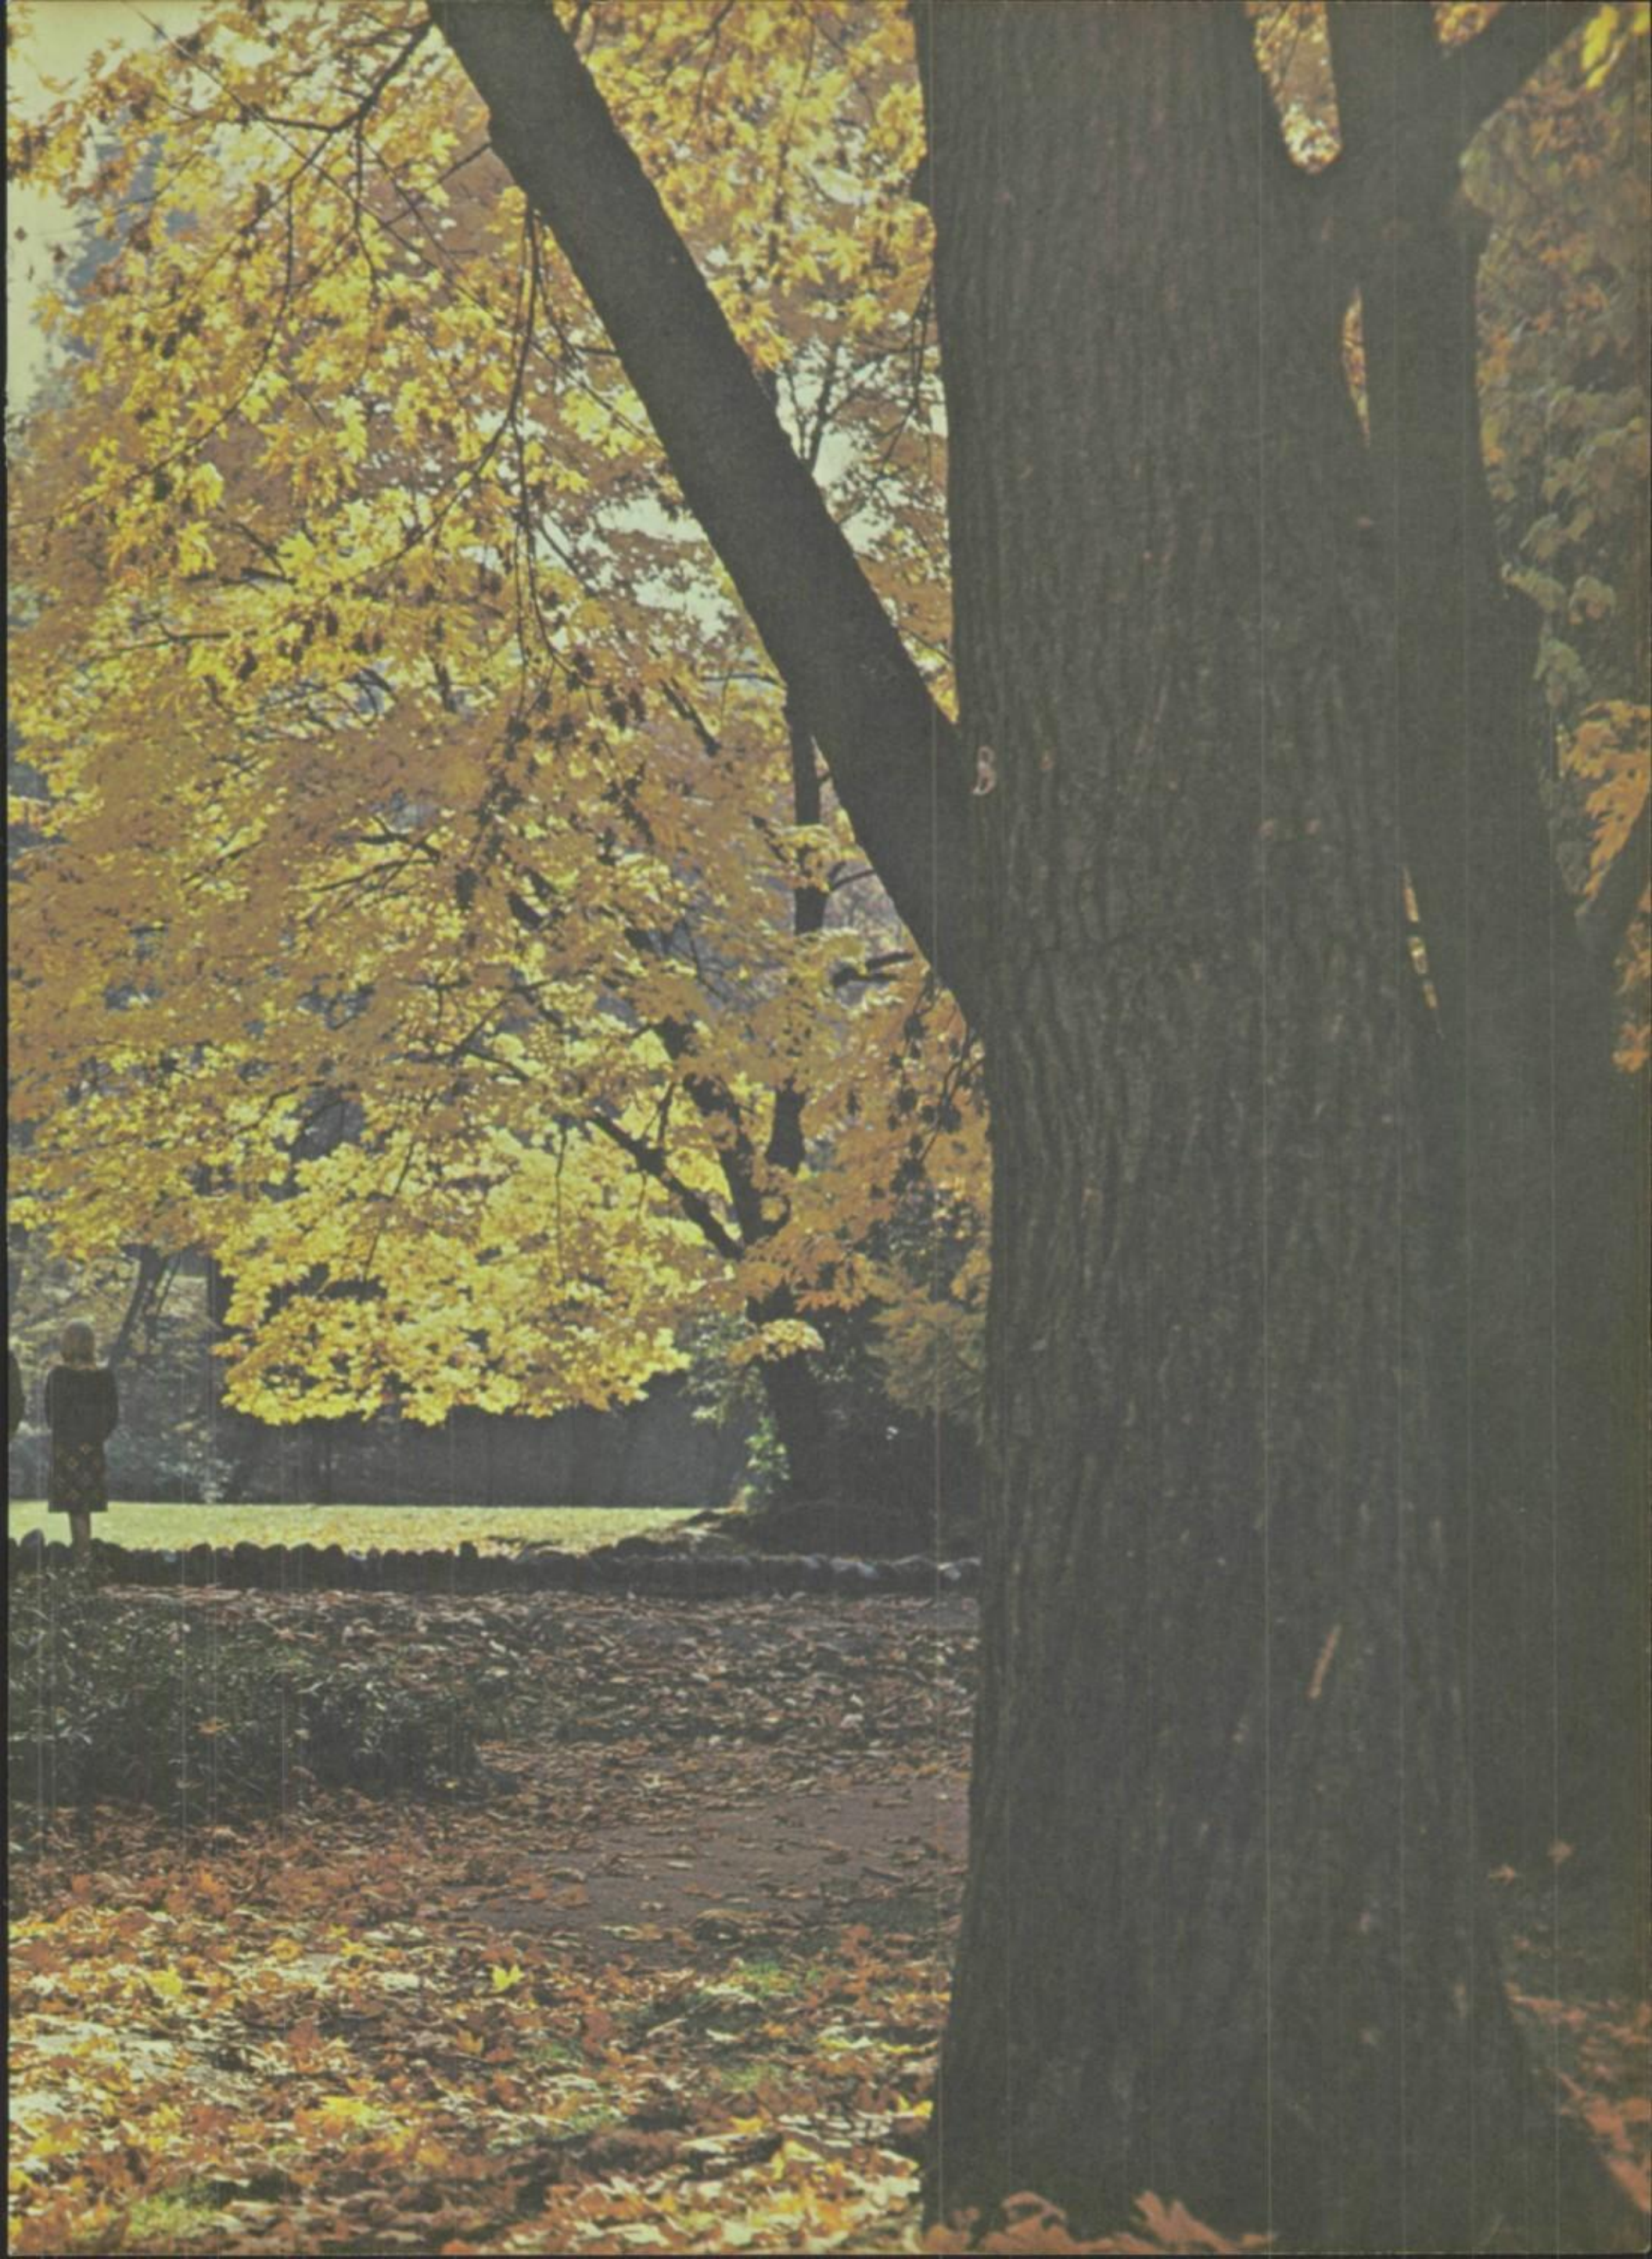
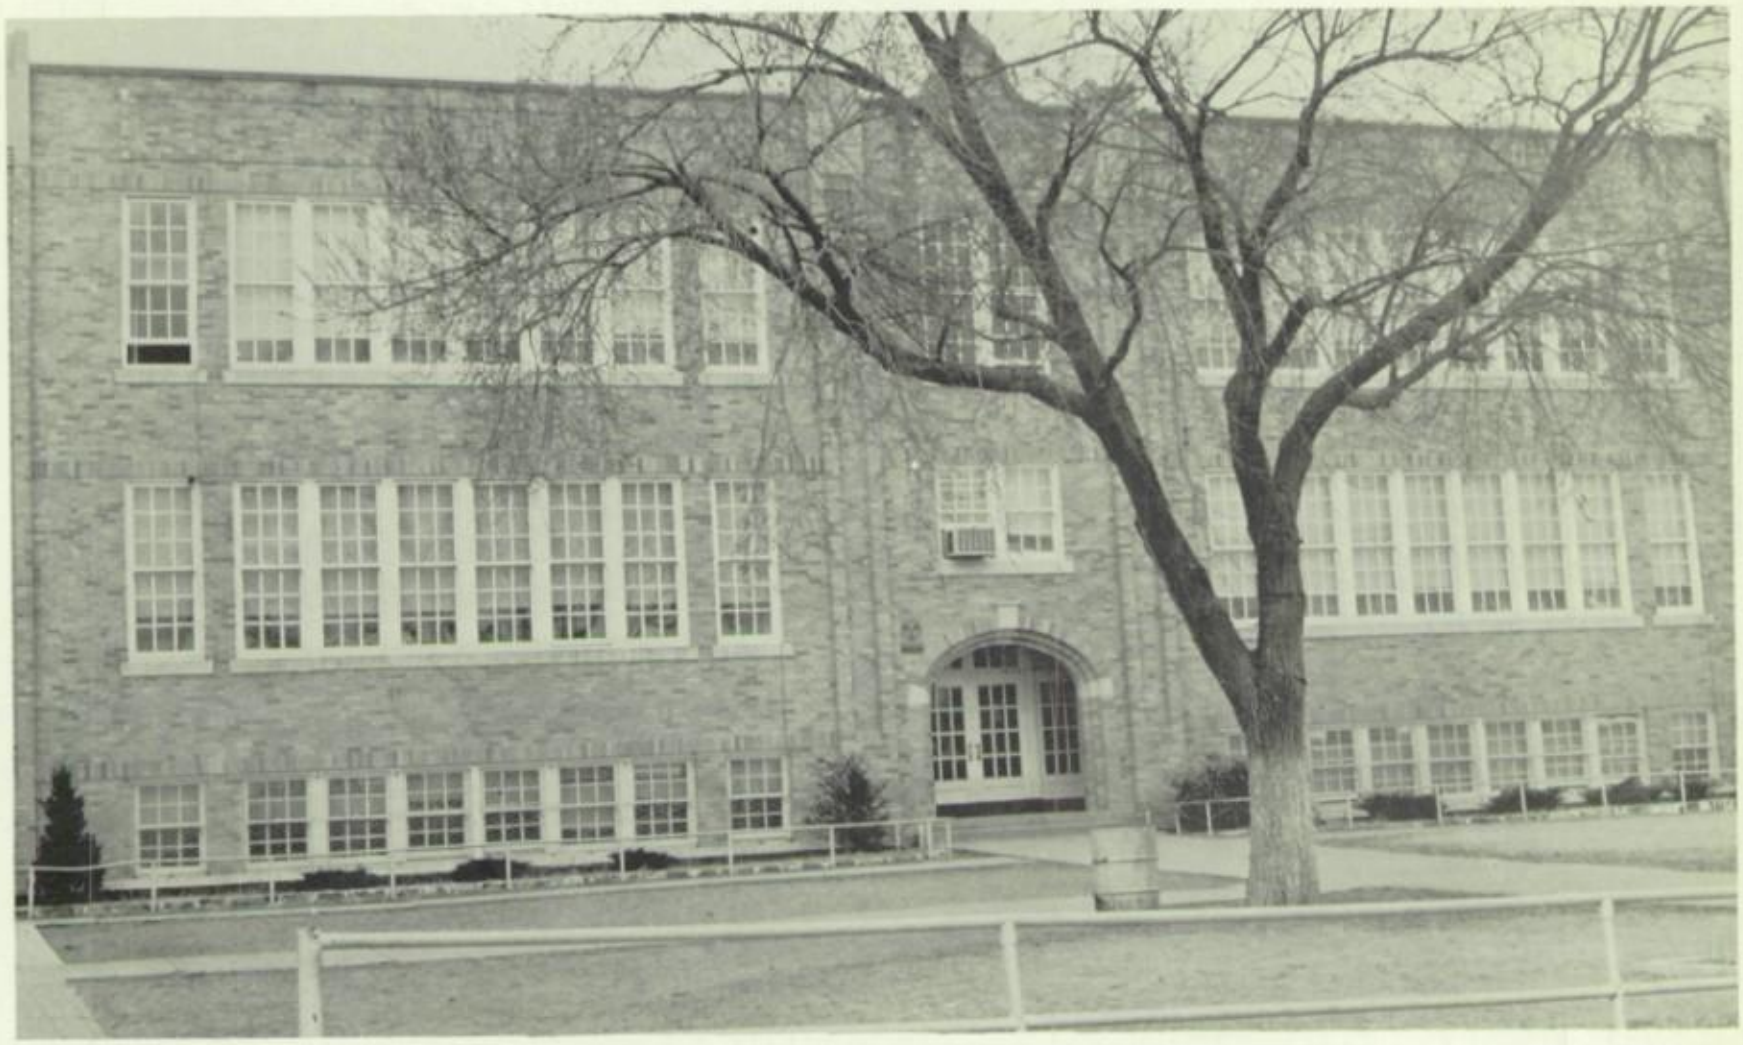
LONGHORN





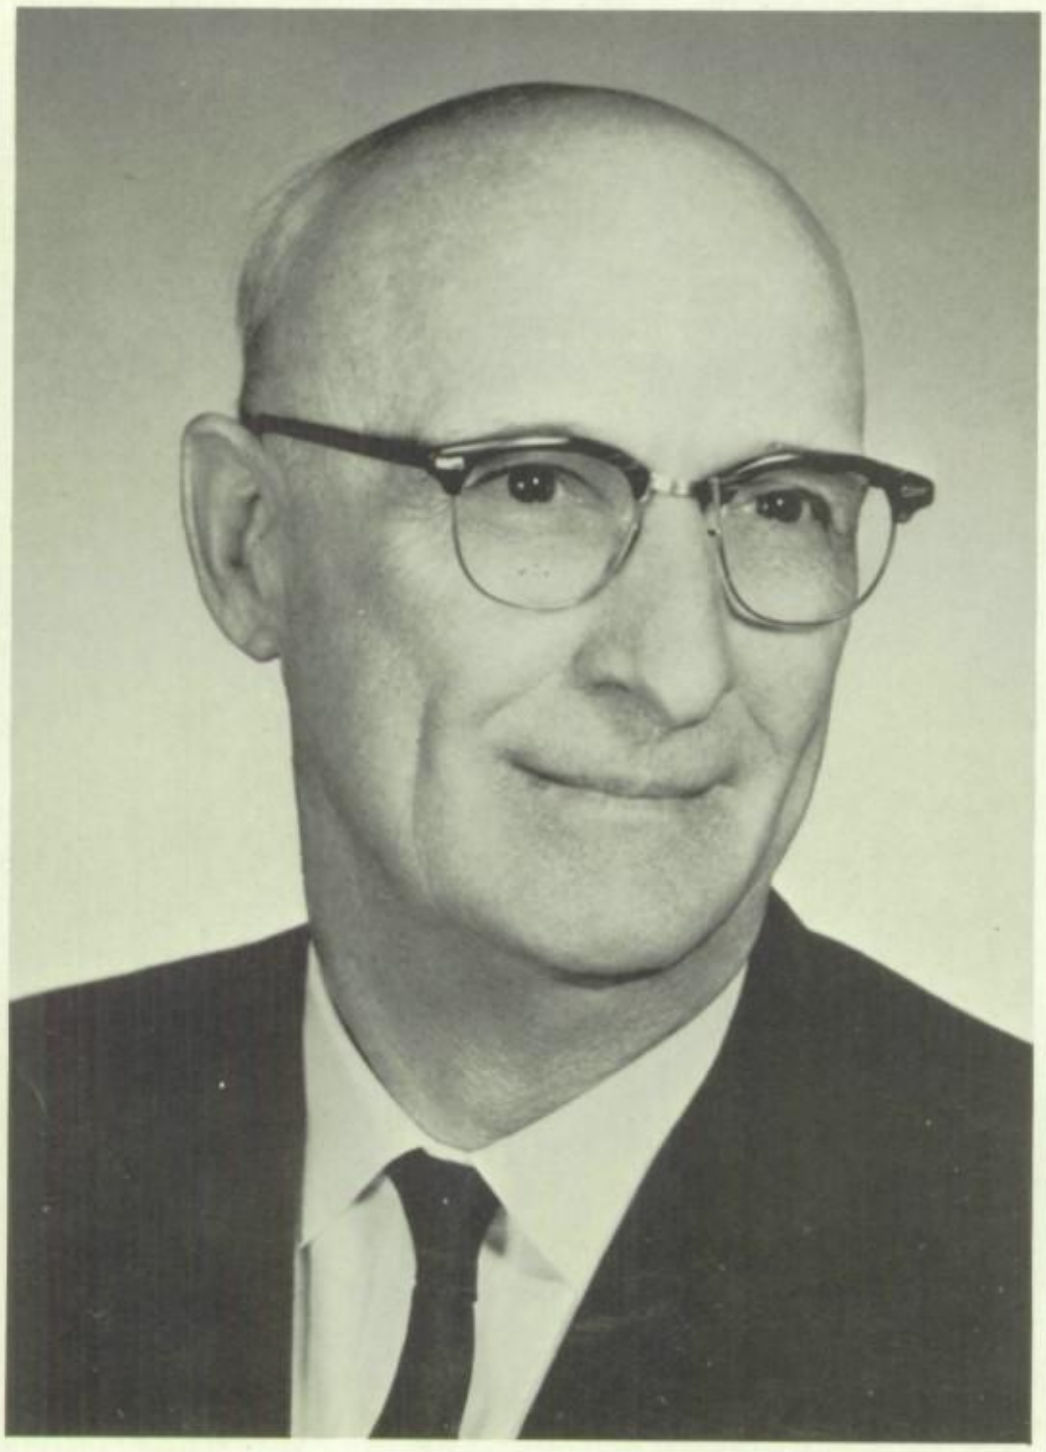
Annual Staff's Note

We, the 1969 Longhorn Staff, have done our best to compile the year's events for your enjoyment. We have tried to think of a few new and interesting ideas to catch and hold your attention.

Thanks to all of you, these last few years of life here at Ochelata High School have been most enjoyable and we wish that each and everyone of you the best life has to offer.

Thanks to all capable assistants for all of the help and consideration they have given to make the 1969 LONGHORN one of the best.

Superintendent's Message



It is with mixed feelings that I write this message for the last annual of the Ochelata Longhorns.

I know that the students who have attended Ochelata High School in the years past will never forget what a great school they attended. The present and future will strive to make the Consolidated District a better school.

We can look forward to greater opportunities and improved curriculum in the Consolidated District of which we will be an active force in developing a new and better academic program.
